## EXPERIENCE

### **Davis County Assessor, Farmington UT — *Real Property Data Collector***

September 2017 - PRESENT

Data Entry into proprietary software to determine the value of homes in Davis county. This involved sketching homes based on information obtained from plane fly-over images, gathering information based on photos and county records, and working with supervisor and other team members to brainstorm and solve problems when presented with incomplete information.

Tasked with interfacing with the public and obtaining photos and on-site measurements of homes in the county.

Worked in an office environment both solo and as a part of a team.

### **Classic Fun Center, Layton UT — *Manager***

January 2013 - August 2017

Managed other employees and delegated end-of-shift cleaning duties. Managed general upkeep of facilities (both skating rink and water park) including cleaning kitchens, cleaning bathrooms, vacuuming floors, waste disposal. Managed cash register and cash box records. Resolved customer disputes.

## EDUCATION

### **Weber State University, Ogden UT — *Data Science & Computational Statistics***

January 2021 - PRESENT

### **Davis High, Kaysville UT — *High School Diploma***

AUGUST 2012 - JUNE 2015
